

**BRITISH MODEL FLYING ASSOCIATION  
EAST ANGLIA AREA  
ANNUAL GENERAL MEETING 2020  
WEB MASTER'S REPORT**

The website which is hosted by the BMFA continues to be a place where we put information that is of use to East Anglia Club reps such as minutes, agendas and reports etc. It also shows all upcoming events, although for obvious reasons there are not many events this year!!

It is not a website that is used on a daily basis by that many people. However, it is a useful facility for distributing information and as it's free, we will continue to keep it up to date.

If anyone has any ideas for the website or wants events publicised, feel free to contact me via the website.

Alan Paul
