

## **BMFA CENTENARY RECORD ATTEMPT - 15TH MAY 2022.**

We are now only a week away from our Centenary record attempt which will be taking place at flying sites across the UK on Sunday 15<sup>th</sup> May at noon. So far almost 200 clubs have registered to take part and Club coordinators will have briefed their members already.

The Area has arranged for the Sculthorpe airfield to be available and all members of the Area are welcome!

To take part in the Sculthorpe event you need to register with the Record Attempt Co-ordinator Steve Bowles in advance. Please do not just turn up at Sculthorpe without having contacted Steve first.
